

Fall Symposium

October 17 | 9 a.m. - 4 p.m.

**Jim & Linda Lee Performing Arts Center
at Yavapai College**

At Yavapai Regional Medical Center, we're bringing together innovation and collaboration for a powerful day of learning and connection at our 2025 Fall Symposium.

With the theme "Transforming Care Through Innovation and Community Partnerships," this event is designed to highlight the future of healthcare—from the latest medical technologies to the essential role of local partnerships in building healthier communities.

The symposium is **free** and **open to the public**, and attendees can choose from three ticket options based on their interests and availability:

**Morning Session Ticket
(9:00 a.m. – 12:00 p.m.)**

Focused on clinical innovation and technology in healthcare. This session will be featuring introductions to advanced technologies such as the Mako robotic system for orthopedic surgery, Aquablation therapy for prostate treatment, the 3D surgical microscope for neurosurgery, and the da Vinci robotic surgical system.

**Afternoon Session Ticket
(1:00 – 4:00 p.m.)**

Centered around community partnerships and collaborative care models. Topics will include collaborative efforts with Yavapai County Community Health Services, Polara Health for mental and behavioral health, and Yavapai College to support healthcare workforce development.

**Full-Day Ticket
(9:00 a.m. – 4:00 p.m.)**

Includes access to both sessions and all speaker panels.

Whether you're a healthcare provider, student, caregiver, or community member, there's a place for you at the table. Select the session that speaks to you—or stay for the entire day.

Light refreshments will be provided.

Reserve your spot today and choose the session that fits your schedule by contacting Community Health Worker, John Gibson, at (928) 598-1251 for questions and to register or scan the QR code.

Let's shape the future of care—together.
