Help Shape the Future of Health in Our Community

We're conducting the Dignity Health - Yavapai Regional Medical Center Community Health Needs Assessment to identify the top health needs in our community. Take a moment to complete our anonymous survey by February 1st.

Your day-to-day experiences reveal the health challenges, gaps, and strengths that data alone can't capture. What you share directly will guide us on which health focus areas we will commit to for the next 3 years.

Thank you for helping us build a healthier community!

Scan the QR code to complete the survey today. Please contact John Gibson at johnathan.gibson@commonspirit.org or 928.598.1251 for more information or to request for paper copies.
